GOOD NEWS!

The first thing we got was a written okay that all the paperwork and the Fire Marshal's report was accepted. The State gave us our official number to be a licensed Preschool. All that is lacking is a visit to verify all is as stated in the paperwork. At this time we are calling the families who made inquires about their children attending here. Hopefully and prayerfully everything goes well and we soon are up and running.

I was very pleased with the generous "Change for the Children" collection. It was almost \$600. I thank everyone for your help—the children deserve our concern!

I finally got the children's play area garden planted with flowers and a tree and the tree is starting to bloom. I planted roses at first but those didn't work out — too many thorns — What was I thinking?

We also got a new amplifier for the church. The old one, every now and then, had its own mind and buzzed and didn't work. Now this one has more consistency and good volume. Thank God!

God Bless, Fr. Michael, O.S.A.
